GRADING

The internship project will follow the general structure of Scrum framework, which includes specific roles, events, artifacts, and rules. The product owner, project manager, and development team will be established, and project events such as Sprint Planning, Daily Scrum meeting, Sprint Release, and will be conducted. Your final grade consists of the following three components.

10% Class Attendance of the required meetings

60% Sprint Grade calculated as: **Teamwork Grade * Sprint Grade**

- Teamwork Grade is based on peer evaluation for each of the three sprints. Detailed rubrics TBA.
- Sprint Grades: You will receive a team grade for each of the three sprints, based on the technical aspect of the product and team project management. Detailed rubrics TBA.

10% Homework additional homework in project management and development tools.

20% Final Project Report see appendix A for the report format.

Credit hour workload estimate: a minimum of 45 hours of student academic work per credit per term.

COURSE POLICIES REGARDING STUDENT BEHAVIOR

Attendance

Students are responsible for attending scheduled meetings and expected to abide by the University Policy on Attendance (as stated in the **UNH Student Rights, Rules, and Responsibilities**

Students who cannot attend a scheduled meeting have the responsibility to email the instructor about the circumstances and request to be excused for the meeting **BEFORE** the class meeting. You will also need to arrange a meeting with the instructor individually to update your internship progress.

Late Submissions

Policy for late submissions is very strict and applies only in exceptional cases of student illness, accident, or emergencies that are properly documented. A late submission may be granted only if the student:

- Emails prior to the deadline and
- Explains and provides evidence for the circumstances that have prevented the student from meeting class requirement.

Failing to comply with these rules may result in no credit for the assignment.

Appendix A: Final Report Requirements:

The report must include the following items:

1. **A Title Page** The first page should display the student's full name, internship start and finish dates, the title of the internship project.

2. **An Executive Summary** of the project. Provide a concise overview of the project, including its objectives, duration, and key outcomes.

- Introduction: Introduce the project and its background, including the problem or opportunity that led to its initiation. Describe the rationale for using the Scrum framework and highlight the project's significance.
- Project Objectives: Clearly state the project's objectives, both in terms of deliverables and the intended business or customer impact.
- Scrum framework: Explain how the Scrum framework was adopted and implemented throughout the project lifecycle. Discuss the roles and responsibilities of each team member and highlight any adjustments or adaptations made to fit the project's context.

Use full sentences, instead of bullet points, in your writing. You need to have **minimal 2 full pages** (not including spacing, figures and tables) for this section.

3. **Self-assessment of the Project Experience.** You should answer the following questions:

- What did you learn from your experience?
- What is the relationship of the work to your major studies?
- What were the benefits to you?

- What is the comparison between theory (things you have learned in the classroom) and practice (things you did or observed at the internship)?
- How do you think the project activities that you carried out are correlated with your classroom knowledge?
- How do you think the project will influence your future career plans?

Include also your reflection on the internship experiences:

- Describe what was learned and how it will be applied to your professional career goals;
- Identify additional skills that will need to be developed to ensure career readiness. This might include learning a new technology, developing a broader network, additional coursework, etc.
- What advice would you have for a fellow student and/or faculty member with regard to your experience?

Use full sentences, instead of bullet points, in your writing. You need to have **minimal 3 full pages** (not including spacing, figures and tables) for this section.

1. **Conclusions** – This section should include a summary of key conclusions derived from the project experience. (**1 full page**)

Formatting Requirement:

The internship report should be

- in **Single-spaced lines**
- between 6-8 pages (not including the title page, figures, and tables);
- Size 12 in Times New Roman font.
- No additional white space between paragraphs and sections.
- All tables and figures must be captioned.
- All pages are numbered.

The report should be saved in PDF format for submission.

Grading criteria: 60% content; 20% grammar and mechanics; 20% format.

Fail to fulfill the page requirements will result in up to 30% deduction of the total report grade.

You need to earn minimal 75% in your final report grade to pass the course.
